Masters Swim Beats Records

Heavy rains, gusty winds and black skies threatened to wash out the final day of the Southern Regional Masters Swimming Championships yesterday at North Shore Pool, but the weather cleared right at meet time and everything turned out bright.

The Atomic City Aquatic Club of Oak Ridge, Tenn., captured the team title with Fort Lauderdale finishing second and the Masters of Florida out of Miami third. The St. Petersburg team headed by Circuit Judge Robert Beach finished fourth.

"It was just fantastic, everything just seemed to fall into place," Beach said this morning. "We had more than 150 swimmers and some of them used this as their national meet because

they'll not be able to make the nationals in California next month."

"It's just amazing how fast and how big this meet has grown," Beach said. "We started out three years ago with about 40 swimmers and this time we had teams from California, Canada and Ohio.

"It's relaxing for me to swim . . . I get away from all the paper work and the running of the local team," Beach laughed. He's the head of the St. Petersburg Masters Swim Team which inaugurated the meet.

Thirty-two teams participated in the Third Annual Southern Regional Masters Swimming Championships held in St. Petersburg the last weed-end in March. Forty-one National Records were broken and two were established. Oak Ridge Masters won the Team Championship with 772 points while the Ft. Lauderdale Aquatic Club was second with 554. Masters of Florida was third with 410 and host St. Petersburg Rec. Dept. was fourth with 340. Two swimmers from the North Carolina Athletic Club set a total of 9 records (Dave McIntyre and Dorothy Ressiguie). Burwell Jones of Sarasota set 8 records all by himself! Six were set by FLAC swimmers.

The Fort Lauderdale Aquatic Club posed for their first team picture taken by Ron Kern. Standing are Stella Taylor, Reed Ringel, Herb Kern, Jay Platt, Bob Nelson, Bob Duenkel, R. Jackson Roach, Gerry DeLong and Eric Orrell. Sitting are Dot Murray, Cynthia Joan Bruce, June Krauser and Anne McGuire.
