AWARDS BANQUET

Saturday, February 16th, 2008
The Long Center
Clearwater, Florida

WELCOME

Dear FL LMSC Membership,

It is hard to believe we are conducting our 7th Annual Awards Banquet. This year we are awarding over 40 individuals for their outstanding 2007 swimming related accomplishments. Each year we look for new ways we can recognize our members. Just as the Banquet is the result of member suggestion, so too are the ways we recognize our members. If you have any suggestions, as to how we can expand or improve our awards program please contact me. Moving toward excellence is our desire as we conduct any of the activities of our organization and your input/part can make a difference!

Being that this is a recognition celebration which focus on swimming RELATED accomplishments, I also want to recognize services, as well. A person who has served our LMSC in practically every service capacity for over 14 years faithfully and carefully is Meegan Wilson. I consider it an honor to work with her and look forward to her ongoing service for many years into the future! All too often we put off recognizing people for their service till after they throw in the towel, we didn't want to wait to do that for Meegan! She has been registrar, secretary, chairman and still is treasurer of the FL LMSC and so you can see, she is very instrumental in steering our organization to where it is today. Thank you Meegan for ALL you do...and DON'T STOP!

Celebrating the successes of our members should be a practice that we all participate in. The Annual Awards Banquet is our FL LMSC's best attempt to recognize the accomplishments of our members. Thank you for your part in making this night a success!

Let's Celebrate!

Tom Bliss
