A Letter from the Chair

Swimmers and friends,

Thank you all for attending our 12th Annual Florida LMSC Awards Banquet. A special thank you goes out to Marianne Bradley, Joan Campbell, Jim Matysek, Meegan Wilson, and Jillian Wilkins for working so hard to make this evening possible.

Tonight we honor not only our swimmers for their accomplishments but also our volunteers and coaches for all they do to help promote the vision that Capt. Ransom Arthur laid out in 1970 of swimming for life.

Over the years, our membership as an organization has grown as more and more adults embrace swimming as a part of their healthy lifestyle and come to realize that the Fountain of Youth does exist, it is in Florida and of course it is filled with chlorinated water.

We also have some special awards tonight that recognize a number of qualities that go beyond swimming fast. The Sue Moucha Overcoming Adversity Award, The Coaches Award, The Club Service Awards and our Special Awards all point to the qualities that make swimming a unique culture in the world of sports and help to celebrate who we are as a community.

I hope you will join me in congratulating all of our award recipients this evening and a special thanks to the families and friends for helping to make this evening special.

Scott Bay
