

The 13th Annual  
Florida LMSC Awards Banquet

Sunset Grill  
Clearwater, Florida

# Welcome FL LMSC Members and Guests

2013 has been a great year for the Florida LMSC. Despite being presented with a few challenges, we have done some amazing things. In addition to honoring our award's recipients, I would like to point out some of the amazing things that you, the swimmers, coaches, and volunteers have accomplished in 2013.

- Hosted the Pan Am Masters Championships. A special thanks to the Sarasota Sharks who did an amazing job, and with the help of the sponsorship of the LMSC, they put on a fantastic Social.
- Ensured that Open Water swimming would continue to be sanctioned in Florida by funding the insurance surcharge.
- Hosted and supported our first Level 1 and 2 Coaches Certification Clinic in Orlando
- Hosted two Dixie Zone Championships. SCY at the Valentine meet in Clearwater and SCM at the Rowdy Gaines Classic in Orlando.

All of this is due in large part to the efforts of volunteers that are willing to give their time and talent to ensure that we remain an active and vibrant part of the USMS landscape.

That being said, I have decided to step down as chair of the LMSC. It was a tough decision made easier by the fact that there are so many dedicated folks in the Florida LMSC that really make things go, often times without a thank you or a pat on the back. It is a fun job, but I have been given the opportunity to finish my doctorate that I started many years ago and I needed to find some extra time to do so. I will still be active in the LMSC, but I'll just take on a different role. Thank you all for your support for the last year and a half. I know that the LMSC is in good hands with Bob Jennings as incoming Chair on February 1!

Outgoing Chair, Florida LMSC

# Welcome FL LMSC Members and Guests

Welcome to this year's Florida LMSC Award's night. We will be recognizing a wide variety of individuals tonight for their accomplishments in and out of the water over the last year.

We are so very fortunate to be part of our LMSC. We have an incredible number of dedicated and hard working individuals making it one of the best in the country. There are a wide variety of meets we can compete, short course yards, short course meters, long course meters, and open water, all within a several hours of driving. USMS postal events are also a great opportunity to compete.

I believe that anyone who is involved in Masters' swimming is a winner. Only one person can finish first in a race, but you cannot tell me that a person that just overcame one of life's setbacks, overcame a personal fear, swam an event for the first time, or swam a personal best is not a winner also. Masters' swimming is a fountain of youth for everyone physically and mentally.

I challenge everyone that swims to get involved and volunteer. We need to share our love and enthusiasm of swimming with others.

Bob Jennings

# Annual Awards History and Previous Recipients

The Florida LMSC Annual Awards Banquet honors our outstanding swimmers and volunteers. It has been held in Clearwater every year since its inception in 2002 except for 2005, when it was held in Clermont because there was no swim meet in Clearwater that year.

When the awards banquet started in 2002 three outstanding men and women from both pool and open water achievements of the previous year were determined using a point system. A total 12 swimmers received awards for their swimming achievements. Today we honor top ten swimmers in pool and open water, both men and women, for a total of 40 swimmers.

The 1<sup>st</sup> Leather Lung Awards were presented at our 4<sup>th</sup> Annual Awards Banquet in 2005. This award requires that a swimmer either competes in all events in a single course (SCY, LCM, or SCM) or competes in all National Long Distance Postal events from the previous year.

The 1<sup>st</sup> Overcoming Adversity Award was presented to Sue Moucha at the 2<sup>nd</sup> Awards Banquet in 2003 for overcoming adversity and providing inspiration to others through swimming. In 2007 at the 6<sup>th</sup> Awards Banquet, Sue was honored when the LMSC changed the name to the "Sue Moucha Overcoming Adversity Award."

The 1<sup>st</sup> Florida LMSC Coaches Award was presented at our 8<sup>th</sup> Annual Awards Banquet in 2009. This award honors coaches who have exhibited outstanding devotion to Masters coaching.

The Florida LMSC Service Award honors volunteers for their outstanding service to the Florida LMSC.

The Club Service Awards were inaugurated at our 10<sup>th</sup> Awards Banquet in 2011 and honors members for outstanding service to their own club.

The Frank Tillotson Service Award was inaugurated at our 1<sup>st</sup> Awards banquet in 2002. This award was selected and awarded by the Florida Maverick Masters in honor of Frank Tillotson who served the LMSC and USMS for many years. This award was last presented in 2006.
