

The 14th Annual
Florida LMSC Awards Banquet

Saturday, February 14, 2015
Sunset Grill
Clearwater, Florida

Welcome FL LMSC Members and Guests

Welcome to the Florida LMSC Awards Night. Tonight we recognize the accomplishments of many of our outstanding swimmers from all over the state. As in past years, this has been another outstanding year of meets with a wide variety of short course yards, short course meters, and long course meter events along with many different open water competitions.

Our incredibly, successful LMSC would not be possible without the hard work of the LMSC officers, committee chairs, past officers, club representatives, meet directors, and all the volunteers that contribute their time. Thank you to everyone, for all that you do.

Bob Jennings
Chair, FL LMSC

Annual Awards History

The Florida LMSC Annual Awards Banquet honors our outstanding swimmers and volunteers. It has been held in Clearwater every year since its inception in 2002 except for 2005, when it was held in Clermont because there was no swim meet in Clearwater that year.

When the awards banquet started in 2002 three outstanding men and women from both pool and open water achievements of the previous year were determined using a point system. A total 12 swimmers received awards for their swimming achievements. Today we honor top ten swimmers in pool and open water, both men and women, for a total of 40 swimmers.

The 1st Leather Lung Awards were presented at our 4th Annual Awards Banquet in 2005. This award requires that a swimmer either competes in all events in a single course (SCY, LCM, or SCM) or competes in all National Long Distance Postal events from the previous year.

The 1st Overcoming Adversity Award was presented to Sue Moucha at the 2nd Awards Banquet in 2003 for overcoming adversity and providing inspiration to others through swimming. In 2007 at the 6th Awards Banquet, Sue was honored when the LMSC changed the name to the "Sue Moucha Overcoming Adversity Award."

The 1st Florida LMSC Coaches Award was presented at our 8th Annual Awards Banquet in 2009. This award honors coaches who have exhibited outstanding devotion to Masters coaching.

The Florida LMSC Service Award honors volunteers for their outstanding service to the Florida LMSC.

The Club Service Awards were inaugurated at our 10th Awards Banquet in 2011 and honors members for outstanding service to their own club.
