*****Request to Approve Shirt Procedure and Officials Clinic*****

Name Tags

This proposal was approved for \$250 for 25 estimated expense budget at our Oct 2021 FL LMSC Board meeting.

Here are the 6 names of the people who will receive Name Tags in July:

Joel Meltz
Mary Carbonaro
Kevin Mooren
Steve Freeman
Charlotte Petersen
Dana Greene

Notes:

-Estimate for the FL LMSC tags \$14 each by for a white navy blue etched name tag by a Sarasota company, Benchmark Blueprinting. A similar example in a light blue print with no logo is attached. Waiting for a preview to review.

-Estimate for the FL LMSC tags made for \$12 each plus a \$45 one time setup fee by Sarasota Trophy in Gulf Gate and will have a FL LMSC Logo. Checked with Ted Bradley about the higher resolution in an .ai file format to avoid the \$45, received no answer.

-The previous tags were made by TimeRight, Jeremy Duplissey jeremy@timeright.com, (Melanie Jaudon USMS referral) www.timeright.com, -In 2021: 9 or 10 USMS logo name tags were reimbursed by Sarasota Sharks and distributed at about \$10/name tag. 15 Paradise Plaza #180 941-203-5200. TimeRight can't do the FL LMSC logo for only 4 names. They only can do the USMS logo.

Education Clinic

This proposal was not approved yet by the FL LMSC board.

From the FL LMSC Officials Job Description:

Coordinating training and certification programs for new officials according to USMS guidelines. (Approval of the USMS Officials Committee is required for the LMSC to conduct its own training and certification program.)

I have attached Teri White, the USMS National Officials Chair's, power point presentation that is used in our Officials clinic. It is an excellent clinic and a good team building and confidence boosting clinic.

If this proposal were accepted an Official clinic in Tampa or central Florida LMSC area would require 1 or 2 instructors to be reimbursed for hotel/driving/food expenses. (\$75-\$300/instructor).

Shirts

12 shirts for Officials was approved for \$500 estimated expense at our Oct 2021 FL LMSC Board meeting.

They are proposed to be Columbia brand sun proof long sleeve shirts, they will use the Florida LMSC logo, and they will be screen printed by Royal-Tees in Sarasota. Columbia makes a very nice sun proof long sleeve shirt with no collar and are of a really truly comfortable fabric in FL heat.

The goal is
SPF
Heat comfortable
on deck Officials all the same 'team' color
Professional

The criteria for receiving this shirt is Official certification (USA-S or USMS) and working one full USMS swim meet as a volunteer official.

We currently have 17 Officials who meet this criteria:

Cindi Wood
Mike Bergquist
Mike Whaley
Jan Whitlock
David Lyons
Rachel Bowman
Joel Meltz
Russ Gill
Mary Carbonaro
Renee McFadden
Mark Krakower
Nancy Kryka

Don't know if they have USA-S Certification:

Joanne Gauzens
Steve Freeman
Kevin Mooren
Charlotte Petersen
Dana Greene

Notes from Teri White USMS Officials Chair:

It's wonderful that you want to provide sun protection shirts for your officials. The color is not that important...they often wear Hawaiian shirts in Hawaii and west coast meets. We'd like officials in like colored outfits so they stand out as a team...but that could include colored shirts.

Buy what appears to be your best solution. The shirts on the USMS website are not SPF shirts.
Hope that helps!!

Teri

This is a suggestion I'm considering for your reviewal. The Tamiami style is lighter than the current style we have in Sarasota from the Anonymous Donor. The Officials could pick which style they prefer. The FL LMSC Officials from St Pete, Orlando, Gainesville, outside of Sarasota, could pick white or this color as a group in the Tamiami only for their group, perhaps? In Sarasota, one day they could wear white one they have already and another wear this color maybe. Royal-tees has the Tamiami style, I'd have to find the Deflector style. The Deflector style is totally comfortable in the Florida heat. The Tamiami style is a lighter fishermen's style and is more comfortable in the Florida heat than the current Sarasota style. All these choices are long sleeve and SPF. Officials in CA and HI according to Teri White have Hawaiian print shirts, so this proposal would be a acceptable choice.

Request for Funds

To be included in the 2023 Florida LMSC Budget

July 13, 2022

The Sarasota Sharks, Inc., and the Selby Aquatic Center in Sarasota, Florida, have been awarded the bid to host the 2023 U.S. Masters Swimming Summer National Championship meet. This five-day meet is scheduled for August 2-6, 2023.

Hosting a USMS Nationals is a very exciting event for the Florida LMSC. The meet is expected to attract 1,000 to 1,300 swimmers and will present a rare opportunity for Florida LMSC members to compete in a USMS Nationals within their own LMSC. Two USMS Nationals were previously held in the Florida LMSC, in 1986 (Short Course, Fort Pierce) and 1997 (Long Course, Orlando). More recently, two large international long course meets were held in the LMSC. Those were the Pan American Masters Championships, held in 2013 in Sarasota and 2018 in Orlando.

The requirements for hosting a Nationals meet are extensive and costly. We are writing to the Florida LMSC with the request to provide a grant, similar to what was provided to the PanAms meets in 2013 and 2018, to help cover the costs of hosting this meet.

In 2013, the Florida LMSC provided **\$9,217** to the PanAms meet host to help cover costs for a social and general meet expenses. In 2018, the Florida LMSC provided **\$9,000** to the PanAms meet to cover general meet expenses.

Based on the precedent set by the 2013 and 2018 meets, we are requesting a grant amount of up to \$15,000 to the 2023 USMS Summer Nationals meet host. This grant will be used to help cover costs in three general categories: (1) rented shade structures for the pool deck and additional water dispensers, (2) costs related to officials, and (3) costs related to volunteers. Shade structures will benefit all attendees, both swim meet participants as well as officials and volunteers. The host for a Nationals meet is required to provide lodging and food for officials; we may also consider providing them with personal cooling fans or towels. Past Nationals meet directors have offered stipends to groups who bring enough timers for a half-day meet shift, and we intend to follow this model. It will also be necessary to provide food and drinks to volunteers. The Florida LMSC's financial support will significantly help us provide these necessities.

[Note: Our request above is in lieu of the LMSC's current policies in place for reimbursement of online entry costs to the meet host (currently \$5 per entrant) and officials gift cards (currently \$25 per official per day), as those costs are built into the contract between us (the meet hosts) and USMS.]

The Florida LMSC provides strong financial support for all sanctioned meets held in the LMSC, and provided exceptional support for the past two PanAms meets. Costs for food, lodging, and equipment have risen dramatically over the past several years and Nationals meet hosts are contractually obligated to shoulder significant expenses for the meets. **We respectfully submit this request for up to a \$15,000 grant, as we feel it is a reasonable request based on past precedent and cost increases over the past five years.**

Thank you for your consideration,
2023 U.S. Masters Swimming Summer National Championship Meet Directors
Rick Walker, Anna Lea Matysek, Jim Matysek

Florida LMSC Webmaster Report

Meegan Wilson

July 17, 2022

I would like to propose that the Florida LMSC provide a service to Florida clubs by offering a page on the Florida LMSC website to those clubs who cannot afford to and/or have no website. Links to clubs who have a website can also be included on request.

As an example, FACT was having trouble collecting FACT dues during registration, since USMS disbanded the service of collecting and distributing dues for individual clubs during registration when they adopted the Unified Membership Fee. Most registrations are done online now and they do not go through our Florida Registrar/Membership Coordinator.

I have gone ahead and uploaded a simple version of the FACT website onto the Florida LMSC site for you to see. Go the Newsletter page and at the bottom of the page under “**News From Our Florida Clubs**” click on [FACT – Florida Aquatic Combined Team](#).

I think this would be a good service to our members. Thank you for your consideration.
