

Awards & Social Report – January 2024

Everything is all set for the Florida LMSC Awards Lunch with the exception of the food & beverage order. The lunch will take place after the Saturday session of the Valentine's Meet on February 10th in the Starfish room of the Long Center.

We received a couple of Coach of the Year award nominations and thanks to Kirk, Cindy & Meegan to help determine the winner. I also noticed that the award was the Florida Coach's Award which seemed odd to me, so I changed it to Coach of the Year and it will state that on the award starting this year.

Sue Moucha received a few nominations which is great to hear.

Overall, there are 8 awards to be given this year.

Confirmed with Mark Roberson of the Long Center that we can use the same room as last year.

I will be sending an email to the award winners, a separate email to the nominators urging them to present the award and a separate email to the LMSC inviting them to attend.

I hope members of our Board can attend as well.

Thank you,
Cheryl Kupan, FL LMSC Chair & Awards Chair
