

Awards Update 1/21/2026

We've received four individual submissions for the Leather Lung Award: **Chris Stickle, Sarah Swoch, Steven Gold, and Marcarena Martín Mayor**. At this time, there are **no nominations** for the remaining award categories.

Please note that there was an issue finding some of the initial Leather Lung submission. I have thoroughly scrubbed the folder they were being routed to and haven't seen any new submissions, if you are aware of any submissions not listed above please contact Ryan Kloppe.

Idea for this year's awards – kickboards. (Notes: minimum order quantity is 15 @ \$24.99 each, 2-3 week turnaround time, adult size kickboard, vendor D&J Sports out of Dallas, Texas). We would have extra's, could save for next year, or do door prizes, or raffle them. Additionally, they would all need to be the same graphic print. Reference image below:

The screenshot shows the D&J Sports website. At the top, there is a logo with three swimmer icons and the text 'D&J SPORTS'. A search bar with the placeholder 'Enter Keyword or Item' is on the right. Below the header, there are navigation links: WOMEN, MEN, KIDS, SWIM GEAR, LIFEGUARD, APPAREL, POOL EQUIPMENT, BRANDS, and TEAM SALES. A breadcrumb navigation shows 'HOME > CUSTOM SWIM TEAM LOGO KICKBOARDS'. The main title 'CUSTOM SWIM TEAM LOGO KICKBOARDS' is centered above a grid of eight kickboards. Each kickboard is a different color (blue, yellow, black, purple, green, orange, blue, red) and features a unique logo and text. The kickboards are arranged in two rows of four. Below the grid, there is a descriptive text block and a section titled 'LOW MINIMUM OF 15 CUSTOM SWIM KICKBOARDS WITH YOUR DESIGN.'

Looking for a way to give your swim team a competitive edge? Look no further than our Custom Swim Team Logo Kickboards! Made from durable EVA foam, these kickboards are designed to provide a stiffer surface for more effective swim training. But that's just the beginning of what these kickboards have to offer. With a huge variety of colors to choose from, you can customize your kickboards to perfectly match your team's colors or display your school's logo with pride. These kickboards are also perfect for swim schools, swim lessons, team banquets, and even water polo teams. One of the standout features of our Custom Swim Team Logo Kickboards is the channel on the bottom of the board, which serves as a hand grip for swimmers. This makes the kickboard easier to hold onto during long training sessions, allowing for more effective workouts and better results in the pool. In addition to being a valuable training tool, our Custom Swim Team Logo Kickboards also make a great high point award for swim meets or a unique addition to your facility. With their high-quality construction and custom design options, these kickboards are sure to be a hit with swimmers of all ages and skill levels. So why wait? Order your Custom Swim Team Logo Kickboards today and take your swim training to the next level!
