Meegan Wilson

Joan Campbell is ready to get back in the water after her accident. She just needs facility access with no sun. The Long Center pool in Clearwater has been closed for renovations, but Mark Roberson is hoping it will be open in July so that he can host their Dogs Day meet in late August. Fingers crossed.

The following FACT members have competed in the 2026 season: Tim A. Delehanty (74), Gail Grossman (70), Claire Lohrbach (66), Karen G Panker (80), Frances Weston (85) and Meegan Wilson (77).
