

FL LMSC Awards & Social report – Feb. 2022
Cheryl Kupan, FL LMSC Chair and Awards & Social Chair

The FL LMSC Awards & Social lunch is all set to take place at the conclusion of the Saturday session of the Clearwater Valentine's Meet in Feb. 12, 2022. We have been assigned 4 different rooms and I forget the name of the final room they are giving us but is on the pool level.

Since no one could fill in the pdf or print out the form and write in their nomination, I'll attempt to post a Word version for next year.

I received 15 nominations and by the Dec. 31st deadline. With the exception of 3, all were submitted by Sarasota members, so kudos to Sarasota for recognizing their good, hard working members and volunteers.

Emails were sent to all the award recipients as well as to the people who submitted the nominations as I like to give them the opportunity to present the award themselves.

I hope you all can make the luncheon! Thank you, Cheryl
