B. APPROVAL OF THE LAST MEETING'S MINUTES (Zena Courtney)

Minutes were approval in June 2025 via email to enable submission of a RULES change to the Transgender Policy to align with the World Aquatics policy versus the current policy approved by the USMS Board of Directors.

C. FINANCE REPORT (Terri Goodman)

Net Worth on page 1, run this morning, shows \$111,000+ change in bank; trend in last 7 years almost tripled funds. Changes in last 12 months, from \$94,000 to over \$111,000. Income over that last 9 months was \$21,000, about \$4600 of expenses with a few remaining meets needing fees paid. Everything else is 100% current. Expecting more expenses next month with in-person delegates in Kansas City for 7 FL LMSC slots: Scott Bay, Andy Kroupa, Zena Courtney, Cheryl Kupan and Kirk Clear. Most of us are sharing rooms. Cheryl has reached out to club reps to attend the Relay meeting. Please notify Cheryl if you know anyone wanting to attend Relays. Page 3, our expense to income ratio has added \$16,500 to profit. Expenses are printed in report. Only Spent \$347 of \$12,000, in preparation of expected travel and expenses next month.

D. MEMBERSHIP REPORT (Cindi Woods)

Cindi indicated that these numbers are soon to change at time of year with renewals right around the corner. We have 2,320 members registered, more men than women. Compared to last year we were at 2,721 members registered, down by about 400 members. National numbers show 63,000 members in 2025 and 58,000 members in 2024. Membership renewals have

two options that are valid until December 31st: one at \$125 until Dec 31, 2026 or you can choose to save \$25 with a \$75 membership expires on Dec 31, 2025

Changes as of 14 August 2025, is that if you want to compete in sanctioned event in 2025, you need to list your sex at birth. If registrations come across to Meet Official as N/A or N, it indicates swimmer prefers not to say. There will be no 2026 registrations until the new event licenses are in place. Next year there will be competitive and non-competitive membership licenses. Swimmers still get to swim in the sex with which they identify.

Motion by Eileen Seducca to approve all Committee reports to be approved, second by Terri Goodman, all in favor, none opposed. **Motion passed.**

E. COMMITTEE REPORTS:

1) Awards – (Ryan Kloppe) Ryan noticed that there has been no USMS International Hall of Fame (MISHOP) inductions noted since 2022, per the USMS website. The Board may wish to consider whether our LMSC has eligible participants that could be nominated for future induction. There are also several awards available through USMS to recognize individuals, teams, and coaches. Going forward, we may wish to review potential nominees within our LMSC to encourage engagement and recognition. Lastly, the Per the USMS website: "In accordance with Rule 105.1.2, 2024 USMS Top 10 short course yards (SCY) season was extended to include times from the 2024 USMS Spring Nationals. The 2023–2024 season concluded on June 24 rather than May 31. While the overall rankings (unofficial) for 2024–2025 include results from Spring Nationals, those swims will not be included in the official Top 10 rankings for the 2024–2025 season." The official SCY results were estimated to be available in August 2025; however, they are not yet published due to the trans eligibility review after the San Antonio SCY Nationals.

Anna Lea provided background information on why meet is in Pasco County again. The representative contacted Anna Lea to find a suitable pool, located in Pasco County, to hold the meet and asked Anna Lea for suggestions. F. Old Business

1. 2025 USMS LMSC Standards Survey are due June 1, 2025 submitted by Chair, Treasurer and Sanctions Chair. Only two items to be updated. COI forms were quickly completed. We are 100% complete
2. By-Laws First Draft – Meegan has WORD to share with everyone.
 - a. First Changes: Instead of all positions elected at the same time; change to having the Chair, Vice Chair, Treasurer and Secretary elected and the other 4 positions be appointed (most commonly practiced within the USMS). Stated issue: The power of the votes of the membership then only focuses on 4 people. Scott mentioned that we may add verbiage that appointed positions also be approved by TBD/House of Delegates.

- b. Other observations: we have been lacking a 30 day notice for LMSC meetings, although the dates are listed on the website at start of year/subject to change, participation seems to be waning although it was hard to wrangle by-laws changes for voting members and club votes. Annual Meeting date on 30 October is on website. This year we are electing Chair and Treasurer.
- 3. Membership fee assistance proposal (need to work around the current USMS mandated fee structure) are still in work.
- 4. Meet Stipend proposal as reviewed. Anna Lea recommends we follow the MOON reimbursement plan, part of the funds goes to the Officials and rest to run the meet. MOON has been used for Rowdy Gained for years.

G. New Business

- 1. October 30, 2025 Virtual Annual Meeting
- 2. Reminder of two significant LEGISLATION changes being reviewed/proposed for the Annual Meetings. First, sunset the History and Archive Committee and dissociating all the other committee meetings with Annual Meeting. Thereby down playing the importance of the Annual Meeting and the committees themselves.

A motion by Kirk Clear to adjourn, second by Scott Bay, all in favor, no one opposed. **Motion passed.** The meeting adjourned at 7:19 PM.
