

AWARDS & SOCIAL REPORT
February 2025

We received a handful of award requests for the 2024 season and all awards have been ordered.

As I will discuss at the February Board meeting, we have a strange circumstance where the main award recipients will not be in attendance at the St Pete Masters meet where the FL LMSC Awards Lunch will take place. I will have Ryan update the email that I send to the award recipient and the email that goes to the person who made the nomination depending on our discussion at the Board meeting.

I will schedule some time with Ryan to go over the process so that he can take over for next year. We will also work on updating the website and nomination forms with Meegan.

Thank you, Cheryl
Soon to be former Awards & Social Chair 😊
