Thanks to our Chair, Membership Coordinator, Senior Games Liaison, and Webmaster for sending informative board submissions, and thanks to the following teams for sending club information and stories: Jacksonville Area Warrior Swimmers, Florida Aquatic Combined Team, Gulf Coast Swim Team Masters, Sarasota Sharks Masters, and Swamp Water Aquatics Gainesville. Much appreciated.

Just a reminder of the next newsletter submission deadlines: April 15, May issue; July 15, August issue; and October 15, November issue. I will always respond when I receive a submission, so if you don't hear from me – please try again. Your submissions are needed to make the Florida LMSC Newsletter interesting and informative for our members. Thank you.
