Meets in the Florida LMSC for 2025

The Long Center pool in Clearwater is undergoing a major renovation. The glass walls on three sides of the pool enclosure are being removed and replaced with solid walls, along with an upgrade of the air-handling system. The pool was available for the January Good Life Senior Games meet but will not be available for the rest of 2025.

Construction is underway at the Selby Aquatic Center in Sarasota to add a new 25-meter by 25-yard pool. Construction should not affect any meets held at the facility.
