Meets in the Florida LMSC for 2026

The Long Center pool in Clearwater is still undergoing a major renovation. The last update I received from Joannie Campbell was that the pool may not be available until May, 2026.

Construction was completed at the Selby Aquatic Center in Sarasota in December, 2025, to add a new 25-meter by 25-yard pool. The pool depth ranges from 4 feet to 5 feet deep and will be used primarily for swim lessons and workouts.

Florida LMSC Meet Stipend Policy

A new meet stipend policy is in effect for 2026 meets. This policy was proposed and approved at the 2025 Florida LMSC Annual Meeting. Upon successful completion of a sanctioned meet, the LMSC will send a stipend to the meet host to cover the costs of financial gifts for the officials, assist with the costs of online meet entry, and any other meet expenses. Details of the policy are posted [in this document on the Florida LMSC website](#) and I am directing meet hosts to that document prior to approving their sanctions.
