Minutes of the Florida Local Masters Swim Committee Meeting July 23, 1994

The Florida LMSC business meeting was held at the North Shore Pool in St. Petersburg following the 400 free of the LCM meet. The meeting was called to order by Meegan Wilson at 2:30 P.M.

Others present were: Catie Cooper, Records; Charles Kohnken, Registrar; Frank Tillotson, Newsletter Editor; Dick Avery, Treasurer; Bill Uhrich, Sanctions; Al Rogerson, BSAM; Robert Maestre, CATM; Kelly Bergdoll, FAST; Ron Collins, JAM; Larry Peck, ORLM; John Bishop and Harold Ferris, SPM; and Jerry Glancy, Jim Donnelly and Edna Gordon, SMS.

- I. Minutes The minutes of the April 16, 1994 meeting were accepted as read.
- II. Reports of Officers
 - A. Treasurer Report Dick Avery
 - Financial Report The bank balance at the last meeting (April 16, 1994) was \$6,021.55. Present bank balance is \$6,130.31. Deposits were \$3,626.44. Checks written were \$3,517.68 which included the following itemized expenditures since April 16, 1994: USMS, \$2002.00; newsletter,\$750; expenses C. Cooper, 244.85; gift for Maguire, \$130; expenses C. Kohnken, \$117.23; expenses F. Tillotson, \$106.07; expenses M. Wilson, \$79.87; Florida Corporation Fee, \$61.25; returned registration, \$23; and bank charges, \$3.41. It was pointed out that \$130 in donations were collected for the gift for Maguire.
 - Budget 1994 (see attached) Meegan Wilson presented copies of the 1992 and 1993 reports that Dick Avery submitted to Nationals as required, a copy of financial registration records and a tabulation summary of Florida LMSC financial information.

There are problems with the financial information in the forms of inconsistencies from one year to the next in reporting expenses, sanction fees, labor costs and registration income. There is a particular problem with accounting for registration income received late in the year for registrations for the upcoming year. The books in their current form show a \$6,000 deficit difference from 1993 compared to 1992 although there were more registrations in 1993. It is very possible this apparent deficit is a function of using two different criteria for reporting the registration income from one year to the next.

A motion was made by John Bishop to set the Florida LMSC fiscal year the same as Nationals fiscal year (January 1 - December 31) and for accounting purposes to apply registrations received in November and December for the following year to be applied to next years revenue and budget. The motion was seconded and carried.

There was discussion that the Florida LMSC is paying a service charge for banking and it was recommended that the next treasurer should look into a free checking account for non-profit organizations or an interest bearing account.

The importance of projecting and operating on a budget was also discussed. We will be able to do this if a consistent accounting policy is followed from year to year.

- 1994 Audit Nationals requires that LMSCs have their financial records audited annually. Chip Jones, a CPA and SPM member, has agreed to do this as well as being placed on the ballot as next years treasurer.
- B. Registration Report Charles Kohnken reported that currently we have 940 registered this is very close to last years numbers at this time. There is a new club "Winter Haven Masters" which has 13 members.
- C. Records Report Catie Cooper reminds meet directors that she needs registration card xeroxes of all out-of-LMSC competitors. This will save the FL LMSC long distance phone call expenses. Catie will return the xeroxes if requested.

Catic reports problems with the IRCC SCY meet. Several unregistered swimmers from their own team and one Gold Coast unregistered swimmer were allowed to compete at the meet. Also, names and ages of relay team members were not submitted, therefore, none of the relays could be submitted for Top 10 consideration.

All short course yard Top 10 data was submitted to National (Walt Reid) and Zone (Rocky Motter) six weeks prior to the July 15th deadline. The data for Florida Top 5 was submitted on July 6th.

All three LCM meets have been processed and entered into the computer (since July 4). Catie is waiting for the St. Pete LCM results to complete her records.

Charlie Kohnken added that all records for Top 10 prior to two years ago were lost - what is now showing on Top 5 are reconstructions that Catie has compiled. If anyone knows of any inaccuracies, please send a verification and include year and date.

D. Sanctions Report - Bill Uhrich reported that sanctions have been issued for the Orlando meet on October 8 and 9 and the Suncoast meet on October 15. Sanctions have also been issued for St. Pete development meets on August 7, September 11, and November 6.

The Sanction fee is \$10 per day plus a refundable deposit of \$25 per day.

Frank Tillotson commented that the meet in Hawaii next spring is not sanctioned due to its proximity with Nationals. He is recommending a National rule of a 30 day time window for major meets. John Bishop recommended the definition of major meet be any meet held over more than one day.

E. Newsletter Report - Frank Tillotson reported that the newsletter is under control and that the entry forms for Sarasota and Orlando are in. He needs Montreal results.

Jim Donnelly was introduced. He has volunteered to be on the ballot and take over as newsletter editor. There was discussion on looking into buying a publishing program.

III. Old Business

- A. Delegates to National Convention Florida LMSC delegates for this year are: Charles Kohnken, SPM; Jerry Glancy, SMS; Meegan Wilson FAST; Catie Cooper, SPM; and Frank Tillotson, HLJ.
- B. Bylaws Changes Meegan Wilson presented proposed bylaws changes (see attached) which will be voted on at the annual meeting in October. Discussion was held as follows:
 - Article I, Section 4 changing date of dues from October 1st through September 30th to January 1st through December 31st. This will agree with Nationals year and with the accounting process as discussed earlier. The board recommends the change.
 - 2. Article IV, Section 5; Article V, Section 2; Article VI, Section 2 and 4 changing the word bi-annual to biennial. This was the original intent and is a simple housekeeping problem. The board recommends the change.
 - Article VII, Section 3 Requiring two signatures per check and an annual audit. The audit is a requirement by Nationals as previously discussed.

Charlie Kohnken commented that there could be logistical problems and delays with a two signature requirement. John Bishop noted that the requirement is a sound business procedure and that all checks need to go through the treasurer. The number of checks written is limited, and having three approved signatures should make two available in the unlikely event of an emergency. The board recommends the change.

4. Article VIII, Amendment 2. Delegate Expenses - John Bishop commented that delegates are being asked to spend personal time performing an important job for their LMSC and their expenses should be paid by the LMSC. There was discussion regarding the fact that the location of the convention varies annually and would effect the amount of money needed to pay the delegates' expenses.

It was recommended that the bylaws be changed such that the expenses to convention would be evaluated annually against a budget presented at the fall annual meeting. The Florida LMSC would send as many delegates as possible, paying for transportation, lodging, and registration within the constraints of the budget.

A motion was made by Charlie Kohnken that airfare, rooms, ground transportation to and from the airport, and registrations be paid by the Florida LMSC for all delegates to the National Convention this year. After discussion with the treasurer, Dick Avery, regarding available funds, it was decided that money was available and the motion was seconded and carried.

IV. New Business

- A. 1994 Slate of Officers The Nominating Committee Members (Jerry Glancy, SMS; Larry Peck, ORLM; Sandy Steer, SPM; and Meegan Wilson, FAST) recommended the following slate of officers. Comments about the new prospective board members are included.
 - Chairman Harold Ferris, SPM Harold has an extensive background in Masters, is decisive and level headed, and is committed to the principals of Masters Swimming.
 - Secretary Meegan Wilson, FAST
 - Treasurer Chip Jones, SPM Chip is an accountant and CPA and is past treasurer of St. Pete Masters.
 - · Registrar Charlie Kohnken, SPM
 - Sanctions Bill Uhrich, HLJ
 - Records Jeff Perout, HLJ Jeff is Director of Information Systems at UF's college of dentistry. He has been a
 USS certified coach for the past 25 years and previously maintained records, membership, and produced a
 newsletter for USS, Ohio.
 - Newsletter Editor Jim Donnelly, SMS Jim has his own printing business and is currently editor of Suncoast Masters Newsletter.

A motion was made by John Bishop that the slate of officers be accepted, published in the newsletter, and presented at the annual meeting for elections. The motion was seconded and carried.

B. Coach of the year - George Bole was submitted to Nationals as the candidate.

SOUTH AFRICAN friends say the group would have no problems on the trip. George Koski, Ponte Vedre Travel, expects to know in October whether we will go.

The Hawaii Masters Festival is a rather new approach to an event in which swimming is a large part. A variety of participation vacation events are included Over the 8 days 5 have swimming. Note the swimming, as all else, is for fun and fitness. The swim does not carry a sanction nor recognition from USMS. GO and have fun and relaxation.

This is my last newsletter. Over the past 15 years or so there have been many changes, swimmers have come and gone. We have too many joining and not continuing. Swimming is GOOD FOR YOU. You meet the best people in every phase of life and work. To those who have contributed to the news, Thank You. Other changes have been, despite no renewals, an increasing number of members, a shift in age to younger enrollees, shift from typewriters to computers, to which I didn't become acquainted. Next issue, November, please contribute to and support your next Editor. Thank You. F H T

SWIMMING NEWS FROM AROUND OUR LMSC

FINA V WORLD MASTERS MONTREAL 4-10 July 1994

3,473 Swimmers entered this meet. As always the 50-100 free had the most competitors, over 130 heats.

Montreal is a beautiful city with trees and parks, a fine municipal transportation system, friendly people, alas so little English spoken. Most of us were surprised at the taxes, more than at prices. 14% on about everything. 14% on postage stamps, yes, 20% on meals out. They SAY its the cost of health care. There were enough places of interest to occupy much of ones time in the Olympic park wherein the pool, baseball stadium and track and soccer facilities lay. The tower, 550 feet high, which supports the stadium roof, the Biodome, the botanical gardens, the insectarium, were all adjacent.

A meet with more people than can be reasonably accommodated will have problems. Swims up to 11:00 p.m., not quite up to Brisbane. Management said 1,000 too many. Once one got to the clerk of course to check in for each individual and relay event, things were under control. Five to six ladies handled the martialing for 6 days, competently, quickly, smiling and friendly. Fine. The 5x50 warm-up pool was woefully small. I guess for the Olympics, for which the facility was built, it was adequate. Twenty per lane. Even though it was said "no event today, no swimming" this was not monitored, nor heeded. In spite, the meet was completed. No comment on the officiating.

Canada, USA, Japan, Brazil, Germany, Mexico, Great Britain and Australia accounted for 3024 swimmers. Brazils 191 struck me. Competition was keen, all events, all ages, all relays. One newspaper report said that the US was doing the most record breaking, but it was not limited. Jim Bohan, 58, TOC from California who had a heart attack some years ago and by-pass surgery within 2 years succumbed almost immediately after swimming a superb 100 back. We extend our sympathy to Jim's family.

I suspect that many, as myself, didn't realize that Montreal was such a big city. Two million and more. Downtown modern, with a large 'underground city' which would be most appreciated in the snowy winters. The 15th Jazz Festival went on during the whole meet span and more. Both outside and in from morning till late at night. A 3 hour circuitous city tour was real nice...a highlight of which was a short visit to a flower garden, delightful and fresh. Were there no swimming, it would have been a rewarding week.

VARIOUS NOTES

A communication from Carl Thornburg says that he has had a medical problem and probably won't be swimming again, not soon anyway.

Letter from Alan Maloney, SPM, reported that he was the sole SPM swimmer at the Santa Clara 1st International Masters meet. He did well with two 5th's, one 4th, two 2nd's and a 1st in the 100 Breast.

Also our lone report on Tri Athlete activity Alan reports: SPM, Alan swam, 5th in Open Masters. At Cypress Gardens Triathlon, he was 5th; Maderia Beach, 2nd. We do know that Katie Knight-Perry, SPM qualified for the Hawaii Iron Man.

GREENVILLE SC LCM - JULY 16-17

First. Up there, there are trees, real beautiful green trees, millions of them. Beautiful. The meet was held in a County pool, indoors, 10 lane - 50 meter, located in an unusually large open area; 70 swimmers, or more, swam. Practically all were South Carolina residents. Paris Island Masters - 26 and HLJ - 2. I being the only Florida entry and Jim Williamson of Aiken SC being the other HLJ. There were spirited races and good times, but the most enthusiasm was the Paris Island relays. They were into them. Try it next year for a relief from the hum.

SUNCOAST MASTERS T-SHIRT MEET Arlington Park Pool LCM 11-12 June

Steve Grossman worked hard and received 90 entries. Jim Donnelly may well be the Master Swimmer who has a lock on the T-Shirt design position. Another sharp issue. Sunday, starting at 12:00, no one can deny, was hot. The water was comfortable and competition was keen. SMS and SPM fielded over half of the entries. Eleven other clubs made up the rest with CATM's ten.

Sunday's start at 8:00 was much better, a few came for Sunday only and a number didn't come for Sunday. It was good to see Bumpy Jones back in the "swim" of things. No longer a live aboard family, there was more time for golf. Thanks to all the SMS people including, time-keepers, officials and plain workers which no meet succeeds without.

TEAM MASTERS USA POSTAL

Al Rogerson, at age 68, entered all seven races of the Team Masters USA Postal Competition. The event was open to all USMS members involved in SCY, USMS sanctioned meets from January 1 through May 17, 1994. Times registered in the various events were mailed to Team USA. The Masters USA National Races covered all 18 events of the SCY program.

In entering the seven races, Al swam all of the 18 events, involving all strokes and distance categories. As of this date, National Results have not been released.

SUNCOAST MASTERS

Congrats to our newest members who competed in their first meet at St.Pete LC. Brooke Bowman (27) won high point honors! Marv Norin (67) had some benchmark swims to build on at his next meet.

Jim Donnelly broke Peter Betzer's 100 M Breast Florida Association record in a close race against SPM's Theun VanDerVeen, touching him out by .05 sec. Theun repaid Jim by beating Jim's 200 M Breast record.

Jerry Glancy, our FL LMSC Rep, will be attending the USMS National Convention in Kansas City, MO, September 28 - October 2 with 4 other delegates and Jim Donnelly has agreed to run for the office of Newsletter Editor of the Florida LMSC.

Bob Coulter, John Woods, Kevin McCormack and Steve Grossman will represent SMS at the USMS National LCM meet in Buffalo, N.Y.

St Pete Masters Inc. Annual LCM 22-24 July

Attendance was good, except for one swimmer from North Carolina and one from South Carolina, it was a Florida meet. Not a soul from Georgia. The normal Summer weather banged away but not once interefered with swimming.Woody and Louise have turned their hospitality of on deck food to the Marine Corps Reserve Auxiliary. They upheld the tradition well. (Sausage Dogs)!It is always good to hear the fine voice of Gail Pyhel on the announcers mike.The pool staff made themselves usefull everywhere as well as keeping things neat.Results from the Ware family were,as usual,accurate and prompt. Things went well under the hand of Harold Ferris. This meet has aged well,old hands and new hands mixing well and making new friends. What better. Intense competition in many races and good times, personal bests, resulting.

The 1500 escaped the threatning Showers perhaps setting the tone of the meet. Mary Holmes Roebuck finished it with an 18:12 time not only first in her age group-32-, in the women, but also 16 seconds ahead of the first man. The water was comfortably cool compared to other years.

REDUCING THE LENGTH OF SWIMMING MEETS

Because of the hours necessary to run most National Swimming meets, something must be done to limit the time involved.

The following is not a recommendation of what should be done but it is an attempt to outline the various possibilities for reducing the timespan of the meet.

Four major items that can be considered are:

- 1, Eliminate longer events as 1500, 800, 400.
- 2, Change the number of days.
- 3, Limit the number of entries.
- 4. Better management of water use and starting.
- 4. Better management of water use and starting.

 Eliminating the events would shorten the days of the meet.

 Using the extra days would lighten the load of events in one day.

 The meet could be split into two meets.(younger in a different meet).

 Limiting the entries may be desireable, but the method is hard to determine. Possible methods are: One age event could be only 3 heats.

 First entries only accepted. Top eight from last meet accepted first.

 Only verified times accepted to fill quota. Cut off by qualifying times by vote. Cut off by times of 30th place last meet. Cut off by 1.5 times winners time of last meet.(Factor could be changed).

 Limit older age groups. Limit 19 year age group. Hold qualifying meets.

 To save water time use one or two lanes for slow swimmers. Have two! pcols available.

 $^{
m ED}$, Bill constructed most of this in Montreal. Mainly he is thinking of USMS , by his references to 19 age etc.

Since referring to USMS I have a suggestion too. Swim the three longer events as Zone Championships and "Postal" them into the National scoring. Much more opportunity for greater participation. In any meet, the older age groups would have little if any objection to starting an hour or perhaps more earlier than we do now.

Bill was thinking about it but didn't say it, but compulsory 2 to a lane would help. touch another swimmer and you are out.

Darwin - 18th AUSSI National Swim & Club Championships 4-7 May at the Casuarina Swimming Complex

400 swimmers from 71 Clubs, Australia-wide representing all States enjoyed the wonderful hospitality of the Northern Territory Branch of AUSSI Masters Swimming.

Rick Barnes, Meet Director, ran a tight ship and the Meet ran like clockwork due to the help and support of many volunteer groups, sponsors and all Territory AUSSI Clubs who shared in the organisation, timekeeping, marshalling, recording and official duties.

The Casuarina 50m pool with the large sails overhead to keep the water cool, surrounded by an expanse of lawns with shady palm trees and gazebos to shelter from the noon day sun, was certainly the ideal venue.

The setting sun at the Darwin Yacht Club was a perfect setting for the 'welcoming function' although they did not bargain on such a bunch of hungry swimmers.

A few statistics. During the meet there were 2235 swims registered and 183 relay entries, 11 Victorian Clubs and 69 swimmers participated, which was a very good representation.

Many World and National titles were broken and our oldest AUSSI Master Frank Griffiths (85) received a standing ovation when he finished the 200m Butterfly in record time. Frank Tillitson (78) guest swimmer from Lumber Jacks USA (who won 6 gold medals in his age group) enjoyed our Australian hospitality and took the opportunity to renew old friendships from world and national meets.

The facilities at the pool were excellent, with a well-stocked tuck shop, The Cancer Foundations information and products were a big hit as was the Zedar stand. All us health freaks took the opportunity to have our cholesterol checked. One could not forget the happy hours.

T Shirt with some very Jazzy Logos, such as Arnhem Salties, Darwin Stingers, Cairns Mudcrabs were much sought after and were eagerly swapped with members from the southern States.

Spot the AUSSI Master was the name of the game at the Casuarina Shopping Centre (equal to any of our large shopping complexes) only a short stroll from the pool.

Quite a number of swimmers took advantage of the opportunity to participate in the forum conducted by Michelle Schofield.

Many competitors combined the meet and took advantage of the many tours available and visited Kakadu, Litchfield Park, Teritory Wild Life Park, Jumping Crocodiles, and the War Museums of Fanny Bay gaol, or wandered through the Thursday night Mindill

Beach Market with the fabulous array of foods and crafts.

I think the early morning start of 7am put a lot of swimmers off competing in the 5000m Open Water Swim at Lake Alexandra (guaranteed no crocs) however it did not deter the die hards. After 7 laps of the very saity and warm lake the fastest of the swimmers completed the course, but it was 2 hours plus before the last swimmer crossed the line.

A good night was had by all at the Presentation Dinner. I liked the idea of the junior swimmers dressed in swim suits of the different eras presenting the trophies, they will no doubt be the master swimmers of the future. Congratulations to all winners. What a feast, food to suit all tastes, and the wine flowed freely as the night rolled on and the music commenced and we danced the night away.

I am sure the motto 'Swim into Fun and Fitness' was the key words for the top end nationals as we all made our way homewards and possibly see the few more tourist attractions along the way, such as Katherine Gorge, Ayres Rock.

FROM THE DESK OF YOUR REGISTRAR

I would say that most of us enjoy our MASTERS swimming motto: FITNESS, FRIENDSHIP & FUN.

Consequently, we are always on the lookout for increasing our membership. So why not ask a friend, brother, sister or a neighbour to come with you and have a swim. Introduce the person as a 'guest swimmer' for two or three swims then have them join your Club as a financial member.

I like the quote I received from: Rob Hanou, European MSI Director and Dutch Masters Swimmer:

'One does not stop with sport because ONE GETS OLDER,

ONE GETS OLDER because one STOPS WITH SPORT.'

Take care and swim well.

Q: My brother-in-law says it's better to eat after you exercise, and I say before. Who's right?

George Springhart, Port Richey A: In some sense, you are both correct. However, to fully answer this question, I need to discuss not only when you should eat, but what you should eat.

The best muscle fuel is carbohydrates. Carbohydrates come in the form of simple sugars in fruits and juices, or complex carbohydrates such as starches in whole wheat, brown rice

and bran cereal.

Your body stores carbohydrates in the form of a sugar called glycogen. During intense exercise, the body burns glycogen for energy. It is possible to deplete your glycogen stores with intense workouts and a low carbohydrate diet. When glycogen stores are depleted, you may feel exhausted. Eating foods high in carbohydrates (pancakes, pasta, bread, fruit, potatoes) on a daily basis can help you train harder and compete better.

If you are hungry prior to a workout, eat some crackers, fruit or bread to give you a lift. You should not eat foods that have a high sugar content prior to exercising. When these foods are eaten, the body secretes a hormone called insulin. Insulin removes the sugar from

HEY, DOC

your blood. The combined effect of exercise and insulin may cause your blood sugar leve to fall below normal, a condition called hypo glycemia. Symptoms may include lighthead edness, shakiness and a decrease in coordi

My best advice is to eat a healthy breakfa or lunch that fuels you up early in the day s that you can be ready for an afternoon or evening workout.

from the Editor . . .

After over twenty years attending Masters swimming meets of all kinds and sizes, certain aspects of the conduct of these competitions seem to repeat themselves. Masters swimmers will always be traveling to other venues far away and near.

Permit me to take a lead from United States Swimming which has developed safety policies and business requirements for participants and meet personnel. The following are ideas which should be remembered whenever around a swimming pool and the surrounding venue:

- ✓ NEVER DIVE in warmups unless the lane is under the control of a COACH for starts or sprints.
- ✓ BEFORE ENTERING A POOL FOR THE FIRST TIME. check the depth of water at both ends, check ladders to exit the water, check the walls for turning (are they slippery or rough). and if you are a backstroker, check the distance of the flags from the wall at each end of the pool.
- ✓ RECEIVE PERMISSION from the host BEFORE bringing items to sell at the pool to help with your expenses. The meet organizers have charged the official concessionaires for the space and "pirates" are not welcome and might have their merchandise confiscated.

I hope some of these suggestions are helpful. Safety is essential for all. Have a wonderful 1994.
