News From Our Florida Chair

Cheryl Kupan

FLChair@usms.org

Happy Spring, and spring time means Championship Season.

Getting the championship season started was the 2025 USMS Sprint-Distance and Long-Distance Open Water National

Championships that were held April 4-5, 2025 at Nathan Benderson Park in Sarasota, Florida. These events were run alongside USA Swimming's Open Water National and Junior Championships, which made for an exciting weekend. Congratulations to all who competed!

Next up is the 2025 USMS Spring Nationals being held in San Antonio, TX April 24-27, 2025.

The last short course yard championship meet is the 2025 Masters YMCA Nationals being held in Orlando, FL May 8-10, 2025. Good luck to all Florida LMSC'ers competing at these meets.

Another opportunity to swim short course yards is at the 5th Annual Show Your SWAG meet in Gainesville FL April 27, 2025. Coach Karyn Austin and her amazing group of volunteers always provide a fun atmosphere.

Last but not least, I'd like to announce that Eileen Sedacca of the Lake Gators has been named our new Records Chair. Thank you Eileen for volunteering your time!

Big News: 50s of Fly, Back, and Breast Added to 2028 Olympics

By Ryan Kloppe

The swimming world is buzzing with excitement because on April 9, 2025 the International Olympic Committee has officially added the **50-meter Butterfly, Backstroke, and Breaststroke** events to the **2028 Los Angeles Olympic Games** lineup!

This long-awaited change marks a thrilling shift for the sport—bringing more speed, specialization, and electrifying finishes to the world stage. Sprint specialists now have the opportunity to shine in their signature strokes, and fans can look forward to even more high-intensity action in the pool. The swimming medal count now increases from 35 in 2024 to 41 in 2028.

Swimmers and coaches alike are celebrating the decision, calling it a major win for the sport's growth, event diversity, and global appeal. From grassroots clubs to national teams, the countdown to LA 2028 just got a whole lot more exciting! Let the sprint era begin!

While many are happy about these additions since it will add more sprint events to the agenda and draw more viewership, there are some drawbacks. The Olympics currently has a roster cap of 26 athletes per gender per country. With 6 more events added in swimming, it may be more difficult to decide who can compete, and since there will be prelims, semifinals, and finals, the meet will run longer.

The 2028 Olympic swimming pool events will take place at the SoFi Stadium in Inglewood, CA where NFL games are played. The pool will have to be built in the stadium which will hold around 38,000 spectators, more than any other Olympic swimming competition. This is probably good due to the increase in the number of swimming events.

Get to Know Your Florida LMSC Board Members

Cindi Wood

Coach Cindi is a member of Lake Gators Swim Club in Clermont. She began swimming at age 45. Since learning to swim, she has participated in an impressive 107 USMS (U.S. Masters Swimming) events at both local and national levels with no signs of slowing down! Her achievements include two top-10 relay finishes, one of them, the 800 meter freestyle event, received prestigious All American honors.

In addition to competing, Coach Cindi is very active in the swimming community. She is a certified Level 1, 2, & 3 coach, a certified official, and an Adult Learn-to-Swim instructor. She serves as the Membership Coordinator for the Florida LMSC (Local Masters Swimming Committee) and recently was appointed the Florida LMSC Officials Chair. She is a current member of the USMS National Coaches Committee.

Cindi co-founded the Lake Gators Swim Club (Clermont, FL) which has grown to 98 members in 2024 since its establishment in 2020. Coach Cindi continues to compete at both local and national meets, with recent appearances in Sarasota, FL (2023) and San Antonio, TX (2025). She is living proof, and an inspiration to many, that it's never too late to start swimming!

Ryan Kloppe

Ryan Kloppe is a members of Blue Dolphins Masters. He was appointed the Florida LMSC Awards Chair in 2025.

Since 2014, Ryan has 107 Top Ten swims. He has achieved 10 Individual All American honors, and 6 All American Relay accomplishments.

Hello fellow chlorine addicts! As a passionate advocate for lifelong fitness, I'm thrilled to be part of the USMS LMSC community. With a background in accounting, I appreciate the discipline and focus that swimming demands. Outside of the pool, I enjoy spending time with my wonderful wife and kids 4 and 6, and exploring new ways to stay active. I'm excited to contribute to our LMSC's mission and connect with fellow swimmers who share my enthusiasm for the sport. Currently I'm recovering from a SLAP tear with rigorous determination to seeing more lifetime bests.

Pineda Crossing Christmas 2024 Light Show

Kirk Clear, Florida LMSC Vice Chair, and a member of Swim Melbourne Masters is a certified Level 1 & 2 Coach. He has 30 Top Ten Individual swims, 61 Top Ten Relay swims, including one All American Individual honor, and 12 All American Relay honors.

Each year Kirk creates animated light shows using synchronized music, one during Independence Day, and one during the Christmas holiday season. The Christmas light show starts the day after Thanksgiving and is a vehicle to accept donations to support a local veteran charity. He selects one each year.

In 2024 he selected the Brevard Veterans Memorial Center, and had the honor of presenting them with a \$700 donation at one of their board meetings.

APRIL 2025 FACT NEWS

Joannie Campbell

Back to the drawing board for News, which is welcome and needed in our LMSC. I dragged out some information for many of our new members just to reintroduce them, and will tack on some current news so we have a starting point.

Our club is: Florida Aquatic Combine Team (FACT). Our LOCAL MASTER SWIMMING COMMITTEE is www.floridalmc.org. We have one Workout Group: Clearwater Long Center FACT. In addition, many swim as just FACT.

Our Zone is Southeast Zone: www.southeastzone.org. Our National Organization is United States Masters Swimming: www.usms.org.

Our facility at the Long Center on Belcher Road in Clearwater is closed for the year and thus our Long Course pool to practice is not available. Many of us are using other Clearwater facilities such as Ross Norton and Morningside (all outside and short course), and I run into other swimmers at facilities outside the Clearwater area – anyplace with a warm pool and a place to SWIM.

The Short Course Nationals in San Antonio are always a great meet. Hope to have a few members there. I am skipping it this year for YMCA Nationals in Orlando – a little closer.

I had planned on Singapore for World's in August, but my hunt for someone to travel with came up with nothing, and the World situation is rather iffy.

The Senior Games Nationals are in Des Moines Iowa from July 25th thru 28th. You must have been prequalified last year.

The Long Course Nationals are to be held in Federal Way Washington, August 6th through 10th. I've attended a couple of those and they have been great fun. Washington is a great host.

See you at the pool – in a new age group (95-99). I will wait till July for Bob Beach to catch up (ha ha).

And here we are back again at Rowdy's October 18-21 – hopefully better than last year!!

2025 USMS 1 mile and 5K Open Water National Championships

Swim Melbourne Masters showed up big time at the 2025 USMS Sprint (1-mile) and Long Distance (5k) Open Water National Championships on April 4-5 — and left with some serious hardware and major bragging rights!

The event took place at the beautiful Nathan Benderson Park in Sarasota, FL, and this year's turnout was incredible — in fact, there were more USMS entries than USA Swimming Nationals, which ran at the same time. That's a huge win for Masters swimming and a great sign for the future of the sport! Our Mahi crew made a strong showing in both distances.

Check out these awesome results:

1-Mile Sprint Results:

Zena Courtney – 1st (65-69) 0:23:53
B.J. Graham – 2nd (45-49) 0:22:23
Tom Richard – 3rd (50-54) 0:24:33
Boone Brewer – 4th (50-54) 0:25:46
Joanna Dagenais – 6th (35-39) 0:25:46
Gina Benivenga – 6th (45-49) 0:30:44
Courtney Chubb – 1st (55-59) 0:22:22 (Mahi at heart, racing under another team for now)

5K Long Distance Results:

Zena Courtney – 2nd (65-69) 1:28:52
Jade McKiernan – 2nd (30-34) 1:33:18
Tom Richard – 3rd (50-54) 1:30:13
Joanna Dagenais – 2nd (35-39) 1:32:15
B.J. Graham – 4th (45-49) 1:20:45
Boone Brewer – 5th (50-54) 1:40:01

L-R: Boone Brewer, B.J. Graham, Jade McKiernan, Joanna Dagenais, Zena Courtney, Stephanie Havelka, and Thomas Richard.

Conditions were solid with a slight chop, the water temp was just right, and our team energy was through the roof. Whether racing for a podium spot or just out there to challenge yourself, every single swimmer made us proud, it was an unforgettable day.

USMS 2025 Open Water Nationals

The USMS Sprint-Distance (1-mile) and Long-Distance (5K) Open Water Nationals were held on April 4 and 5 at Benderson Park in Sarasota.

These races were held in conjunction with the USA Swimming Open Water Nationals, held on the same course earlier each day. Over two hundred Masters swimmers from all over the country participated in one or both races.

Here is Sarasota Sharks Masters head coach **Rick Walker** swimming into the finish chute of the 5K swim.
